A must have tool for the serious scholar, April 17, 2000

By "[pastorshawn](#)" (Huntington, WV) - [See all my reviews](#)

My title says it all. Mattis Kantor has composed the richest collection of information available on the subject of Jewish (and world) history. The reader will discover a wealth of knowledge that gives detail yet is easily referenced. Beautiful work. If a person is a true scholar then no collection is complete without this book.
